

Andalusía

An extraordinary place

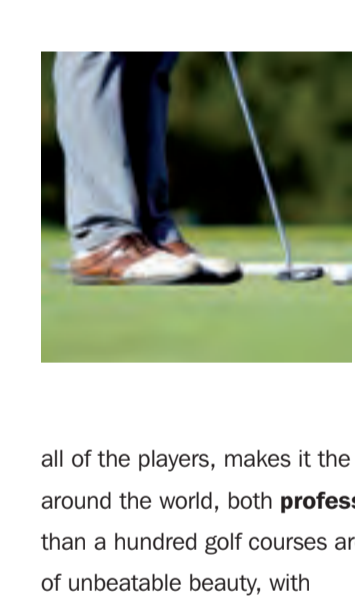

In addition to golf, there is a whole world to discover in Andalusia in terms of its **privileged nature**, making it the Spanish autonomous region with the greatest number of protected spaces. Nine of them have been declared as **Biosphere Reserves** by UNESCO, like the Natural Space of **Sierra Nevada** and the **Doñana** Natural Space. It has 900 km of coastline with excellent **beaches**, where

you can enjoy sun and sea almost all year round. **Active outdoor sports** can be tried in different outdoors areas, like windsurfing in **Tarifa**, rock climbing in **El Chorro**, diving on the coasts of **Almería, Cadiz** and **Granada**, cycling on the 23 **Green Routes**, as well as other stimulating activities. The highest summits of the Iberian Peninsula can be found in Andalusia, the peaks of **Mulhacen** and **Veleta**, and

dense **network of trails** that will allow you to delve further into surprising places, like the **Alpujarras** region, and the mountain ranges of **Ronda** or **Grazalesma**. In the main cities you can go **shopping** and find the most prestigious brand names as well as enjoying a wide range of **entertainment** activities. All of the Andalusian **culture** is notable, from its **gastronomy** and the **popular fiestas**, to its cities

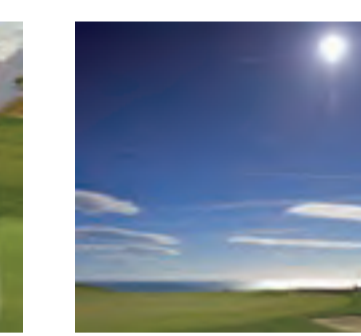

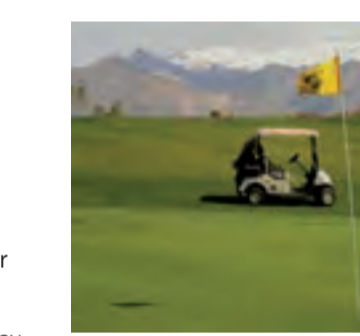

and architectural works that have been declared **World Heritage Sites**, like the cities of **Ubeda** and **Baeza**, the **Mosque of Cordoba** and the historical centre of the city, the **Alhambra** in **Granada**, or the **Alcazar, cathedral**, the **Giralda** and the **Archive of the Indies** in **Seville**. Between time spent on the many golf courses, Andalusia has a lot to be discovered by golf enthusiasts.

THE GOLF PARADISE
Andalusia is a magnificent place to play golf at any time of year. Its location and **climate** are privileged, the careful designs of its golf courses, its exquisite maintenance and the multitude of **services** and activities that are at the disposal of

UNMISSABLE EVENTS
The excellence of the golf courses in Andalusia has been recognised by the most influential **rankings in the world**, like the **Golf Digest** or the **Rolex Guide**. The quality and the high level of game play that many of the golf courses

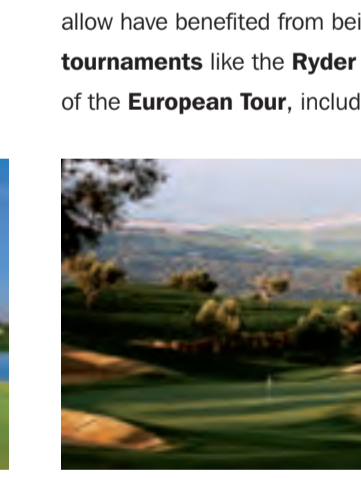

of desert or with snow-topped mountains as your backdrop. You can choose from the **great diversity of landscapes** that enclose Andalusia and the enormous number of golf courses on offer, all of very different characteristics yet close together. This proximity, depending on the area, allows

TOURIST ATTRACTIONS
In Andalusia you can find all types of activities, especially in the outdoors, given that most of the days are sunny. The region has an **exceptional geographical location** and a **mild climate**, with orographic conditions that allow you to enjoy

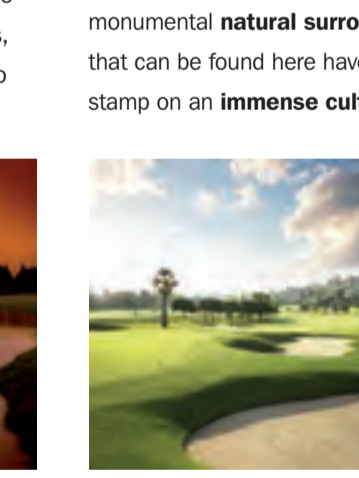

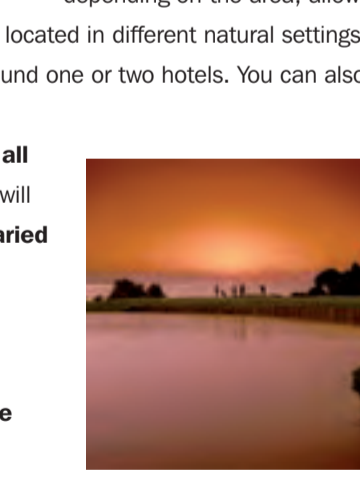

all of the players, makes it the preferred option for golfers from around the world, both **professionals** and **amateurs**. More than a hundred golf courses are combined in natural settings of unbeatable beauty, with **challenging courses** created by legendary designers and players. The prestigious **Costa del Sol**, well-known worldwide as the Golf Coast, and **Cadiz**, with its well-cared-for greens located on its idyllic coastline, make up the concentration of the best places to play golf in

Andalusia. **Almería**, with golf courses in semi-desert surroundings, and **Huelva**, with its modern gold courses, revitalise the game play possibilities and offer golf enthusiasts new challenges. Other areas, like **Seville, Granada, Cordoba** and **Jaen**, are notable for offering golf courses that are close to the impressive cultural legacy of Andalusia and to the multitude of possibilities on offer to spend free time in these large cities.

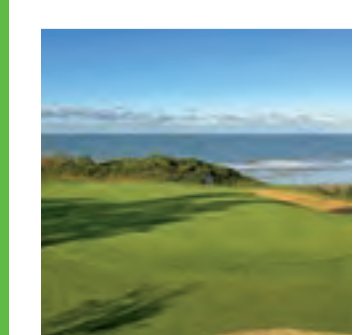

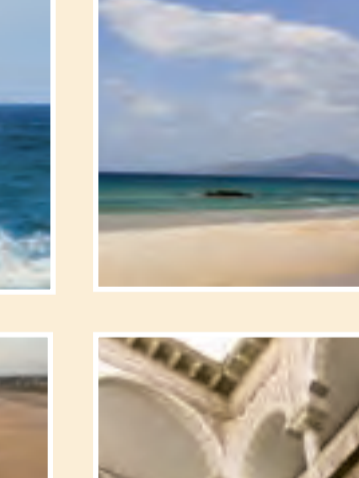

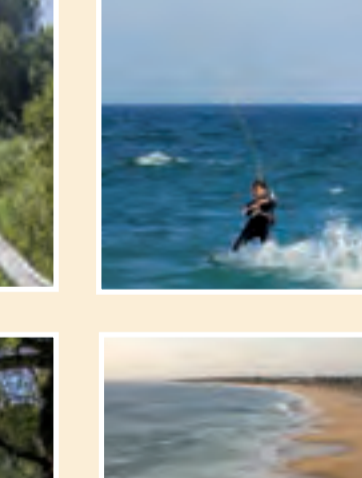

you to play several courses, located in different natural settings, but all based exclusively around one or two hotels. You can also find golf courses to suit **all types of preferences and all levels of expertise**, which will allow you to experience a **varied and personalised stay**.

QUALITY SERVICES
The golf courses offer a **wide range of services** that will raise your expectations of the courses where you will play: the possibility to rent golf clubs, practise courses, golf carts, buggies, golf schools with classes for beginners, simplicity in managing **bookings**, restaurants, shops, swimming pools, gyms with saunas and hot tubs, and even **spas**. Many clubs also have play areas where children can be entertained. In addition, they are located near **magnificent hotels** that have everything that you could need in order to make your stay more pleasurable. The hotels on offer include a **great variety** of 4 and 5 star accommodation, boutique hotels, with charm or an Andalusian style, and of course, hotels and **resorts that are specialised** in offering top accommodation for golf enthusiasts.

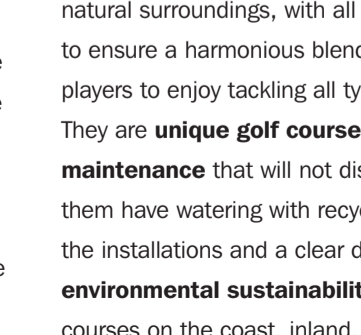

monumental **natural surroundings**. The accumulations of virtues that can be found here have allowed many civilisations to leave their stamp on an **immense cultural heritage** that you will love. You will find a great diversity of activities that will complement your time playing golf: **sun and beaches**, an **exquisite gastronomy** based on a Mediterranean diet and accompanied by excellent **Andalusian wines, entertainment, flamenco, health and beauty, shopping** and an extensive **cultural and**

natural heritage. All of this can be found within a charming and safe region that has **excellent communications** via its different **international airports**, like those of Malaga, Seville, Granada, Jerez and Almería; as well as **high-speed railway lines** that join the main cities, and an extensive network of dual carriageways and motorways. For your next golfing trip, come and discover Andalusia.

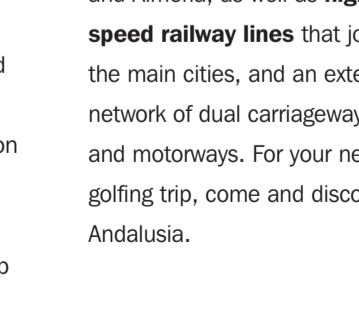

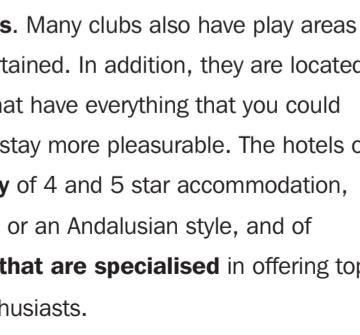

designers of golf courses have carried out magnificent work in Andalusia, creating **golf courses** that make for a maximum enjoyment of the sport. They are adapted to the land and the natural surroundings, with all of the elements carefully selected to ensure a harmonious blend of characteristics that will allow players to enjoy tackling all types of challenges. They are **unique golf courses** with **rigorous and careful maintenance** that will not disappoint their visitors. Many of them have watering with recycled water, solar energy to maintain the installations and a clear dedication to the quality and **environmental sustainability** certifications. You will find golf courses on the coast, inland, even in **oasis** surrounded by areas

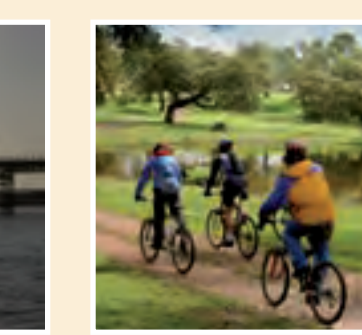

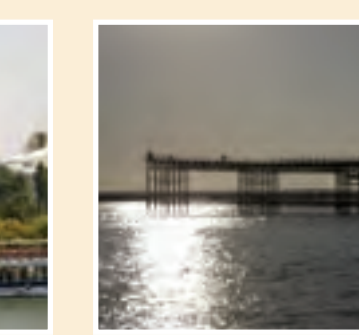

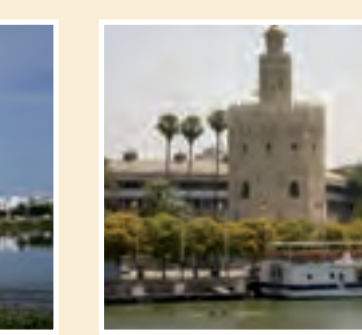

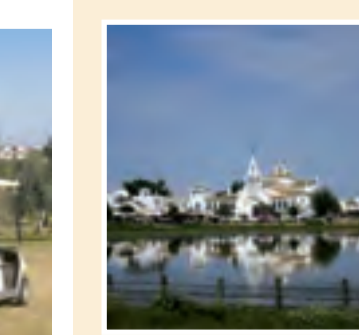

of desert or with snow-topped mountains as your backdrop. You can choose from the **great diversity of landscapes** that enclose Andalusia and the enormous number of golf courses on offer, all of very different characteristics yet close together. This proximity, depending on the area, allows
