The Guadalquivir, the only navigable river in Spain, The dock runs along the old historic riverbed between the Plaza de Colón on the old town side and Feria Street in Triana, and is crossed by some of the oldest and best known bridges in the city, such as the Triana Bridge, the San Telmo Bridge or the Gonzalez bridge. We comply with all the standards required for the welfare of everyone on board (crew and passengers) and we sail at a cruising speed of 4 knots which, together with the comfort of our boat, ensures maximum comfort and relaxation on every ride, ideal for all ages, with restaurant service.
