GUIDED TOURS

ÁLVARO DOMEQC, LEGEND OF REJONEO (horse bullfighting) AND SHERRY WINE

Álvaro Domecq Romero, a well-known and respected personality across the whole of Andalusia for his career as a rejoneador (a horseback bullfighting master), captured the devotion he feels for his land of Jerez and for his wine by creating in 1999 the Álvaro Domecq, S.L. wine cellar. A hundred-year-old wine cellar that produces an excellent Sherry Wine, aged in the traditional in American oak casks with the genuine system of soleras and criaderas (maturing and aging casks), creating a chain than enables the aging of the wines in a natural and continuous way.
