

## Boat tour

### Boats

**Maro-Cerro Gordo** holds a high environmental value due to the peculiarity of its geological formations and the great biodiversity that it houses, both in its terrestrial space and inside the maritime mile. Particularly noteworthy is the presence of two endangered Andalusian botanical endemics, the **Malaga evergreen** and the **white rosemary**; and two from the western Mediterranean, the **Balearic box** and the **hawthorn**. There is also an abundance of Mediterranean scrub with the presence of **juniper, oxicedro, canadillo, holm oak, mastic, kermes oak, carob, olivilla and palm hearts**.

The **Barco Maxum 1950 with open bow and 200CV** intraboard engine, has an awning and a ladder for bathing. It is a boat for a maximum of 7 people, plus the Skipper and with the possibility of 1 baby. Perfect to enjoy with the family, discover the beautiful area and go out with donuts or bananas. Our professional skipper will show you your favorite places in the natural area of cerro-gordo.
